SPECIAL CONDITIONS OF PLAY:

1. **Format of side:** In each round one game of Fours and two games of Pairs will be played. Those that played Fours in the morning will play Pairs in the afternoon and vice versa.
2. **Format of event:** Sides will be put into divisions based on last season's results and play a round robin competition. Pairs teams playing 18 ends, and the Fours teams playing 15 ends (no time limit). The number of Divisions and Sections will be dependent on the entries.
3. **Time:** Play will commence by 9.00am.
4. **Bowls:** Pairs - 3 bowls, and Fours - 2 bowls.
5. **Inclement weather:** Pairs – 10 completed ends constitutes a game; Fours – 8 completed ends constitutes a game. Should less than the minimum number of ends be completed, the game will be continued at a later date by mutual agreement, and the scores will be as they were when the game was stopped. Should more than the minimum number of ends be completed, but not the total number of ends, the result will be as it was when the game was abandoned.
6. **Defaults:** If a team defaults their score will be recorded as a loss. The non-offending team will be awarded a win and the average net total of shots scored by the winning teams in the same round of the same section. The offending team will be given a net total of shots that is equal to the average net total of shots scored by the losers of all the games in the same round of the same section.
7. **Determining a winner:** In the pairs two points will be awarded for each game won and one point for each game drawn. In the Fours four points will be awarded for a win and two for a draw. Where game points are equal the winner will be the team with the highest net total of shots. If the game points and the net total of shots are equal the team with the lowest "total shots against" will be the winner.
8. **Divisions:** Any player who has played **more than three** games in any division may not then play in a lower division. **If a club has more than one side in any division players may not be interchanged between sides in the same division.** A penalty will be imposed by the Centre if these conditions are not adhered to.
9. **Clubs:** Players may not play for more than one club in this competition.
10. **Games:** May be played by mutual agreement between the clubs concerned, but those games need to be completed before the playing date scheduled for the next round of the competition, unless approval for any alternative is granted by the Interclub Convenor.
11. **Promotion / Relegation:** The top two teams in each division (except Premier) at the end of the round robin will automatically be promoted to the next highest division and the lowest placed two teams in a division (except the lowest Division) will be automatically relegated to the next lowest division for the 2020 - 2021 season.
