SPECIAL CONDITIONS OF PLAY:

1. **Play will commence by:** 8.30am on each tournament day.
2. **Qualifying:** Entries will be drawn into sections of four, a round robin of 3 games of 21 shots or 2 ¼ hour time limit.
3. **Bowls:** Each player will play 4 bowls in each end.
4. **Defaults:** If a player defaults all three games, it will be treated as a BYE – refer Clause 5. If a player defaults any of the three games, their score will be treated as a loss. The non-offending player will be awarded a win and the average net total of shots scored by the winning player in the same round of the same section.
5. **Byes in qualifying:** Should there not be an even number of players then a section(s) may contain a bye. As all players in the section will receive a bye, no points will be awarded for the bye. In Game 1 the first two players will play and the third player in each section will have a bye. For the second game the loser of the first game will play the player who has not yet played a game. In the final game the players in the section who have not yet played each other will play. This will ensure that all players play two games each.
6. **Time limit:** All games to be continued irrespective of score until the designated time limit is over or until the game is finished, whichever comes first. If the jack has been delivered before the time signal the end will continue and if it subsequently becomes dead it will be replayed.
7. **Determining section winners:** In all games three points will be awarded for each game won and one point for each game drawn. Where game points are equal the winner will be the player with the highest net total of shots. If the game points and the net total of shots are equal the player with the lowest “total shots against” will be the winner. If all of these are equal then the winner will be the winner of the game when the two players met.
8. **Post Section:** Winners from some Sections may be required to play the first round of post-section on Saturday, immediately after section play, to determine the final 16. Post Section will be sudden death, 21 shots or 2 ¼ hrs, except for the Final which will be sudden death, 21 shots or 3 ¼ hrs. Each player will play 4 bowls in each end. All remaining Post-Section games will be played on Sunday 27th September at Remuera Bowling Club, starting at 8.30a.m. 4 rounds will be played. A blind draw will be conducted on Sunday morning, to determine who plays who.
9. **Post Section play:** Losing players will be required to mark on Sunday 27th September. Upon completion of your game, report to the Umpire for allocation of marking. Players failing to adhere to this will be fined \$100.
10. **Restricting the movement of players during play:** In all games, players will only be allowed to walk up to the head after delivery of their third and fourth bowls. In exceptional and limited circumstances, a player can ask the marker for permission to walk up to the head earlier than described above. If a player does not meet the terms of this law, Law 13 will apply.
