## General Business

**Six Month update of the Operational Plan** – The overall report was discussed with the following key points agreed:

1. A review of the “purpose” of Auckland Bowls should be conducted. PV to report back to the January meeting.
2. The overall targets to be achieved by 2020 should be reviewed and updated. It was noted that a target on the conversion of participants to members should be included.
3. PV to change the layout of the report to ensure that each initiative / action has a clearly identified update and comment. Some targets need to be reviewed so that they are more measurable.
4. Covered greens – it was agreed that progress should be made with Papatoetoe Hunters Corner.
5. Survey of members – include questions regarding customer satisfaction of Auckland Bowls and with the service that we provide.
6. Marketing – include the actual spend against the budget. Need an update on the approach if any towards the Chinese / Asian community.
7. Need to finalise the review of the targeted populations project
8. Sponsor review. Needs to be concluded. PV noted that the sponsorship targets for the year have been met.
9. Bowls NZ – MOU not in place but a good relationship has been developed over the past year or so.
